

Portland, Oregon	<b>United States Society on Dams 2008 Annual Meeting and Conference</b>	April 28 - May 2, 2008
------------------	---	---------------------------

The 2008 USSD Conference theme is **The Sustainability of Experience – Investing in the Human Factor**. The Theme addresses challenges facing our profession in training and transferring knowledge and judgment from soon-to-be-retiring experts to eager younger professionals who will be our future leaders. (training and transferring knowledge and judgment from soon-to-be-retiring experts to younger professionals). Plus, a forum to discuss best practices and new technologies.

Opening presentations on: beneficial relationship between USSD and ICOLD; efforts by USCID and ICID to address global climate change issues affecting water management; and other global climate change issues.

Guest speakers: Alfred J. Hendron, Jr.; Bureau of Reclamation Regional Director Lorri Gray; and Lieutenant General Robert L. Van Antwerp, Chief of Engineers, Corps of Engineers.
