

Notes:  
1. Horizontal Datum: NAD83, Oregon North SPC, USFT.  
2. Vertical Datum: Soundings are in feet and indicate depths below a datum plane which is +73.3 above NAVD88. The project staff gauge is located at The Dalles Marina and was verified by COE monument 91H-04-04 located adjacent to the boat ramp.  
3. Depths were measured with a Kongsberg EM3002 multibeam swath sonar system. Vessel position and attitude was supplied by a Coda Octopus 185+ operating in RTK GPS mode.  
4. Date: Oct. 30, 2013
