The Dalles Lock & Dam

Heather Bragg
Hydrologic technician
Oregon Water Science Center
2130 SW 5th Ave.
Portland, Oregon 97201-4976

Dear Ms. Bragg:

This letter is in response to your February 9, 2016 letter requesting access to The Dalles Dam for water-quality data collection operations and access to the northeast corner of the upper deck of the powerhouse.

With respect to the work outlined above, your request is generally approved on condition that that you are able to provide all the necessary documentation. You will need to provide a detailed work statement, project impact statement, job hazard analysis, any Material Safety Data Sheets that are applicable and a personnel list noting current First Aid/CPR training. Please send electronic copies of these documents to Ms. Erin Kovalchuk, Erin.H.Kovalchuk@usace.army.mil and Ms. Jane Dalgliesh, Jane.M.Dalgliesh@usace.army.mil. Prior to beginning work, please arrange a meeting with Ms. Kovalchuk, 541-298-7405.

There are many researchers and contractors working in the area. Please remain in contact with Ms. Kovalchuk throughout your time at the dam in order to ensure good communication and cooperation between other agencies and organizations.

A copy of this letter has been posted to <http://www.nwd-wc.usace.army.mil/tmt/documents/FPOM/2010/NWP%20Research/Research.html>

If you have questions regarding this correspondence, please contact Ms. Kovalchuk via e-mail or by phone, at 541-298-7405.

Sincerely,

A handwritten signature in blue ink that reads "Ron D. Twiner".

Ron D. Twiner
Operations Project Manager
The Dalles Lock and Dam
