

SYSTEM CONFIGURATION TEAM
September 4, 2014
9 am to Noon
Conference Room 140, 1st Floor
NMFS Office, Portland
Conference Call-in line (503) 326-7669

Agenda:

- 1. The draft July 17, 2014, minutes are out for review; edits & comments are due today.**

- 2. Discuss Lower Granite ladder and trap cooling improvements for 2015 (follow-up from August 21 FFDRWG):**
 - a) Review of the updated work schedule and possible ladder outage next spring.**
 - b) Progress update on the post-construction study proposal for hydroacoustic or acoustic camera monitoring of adult behavior in the forebay at the ladder exit.**

- 3. Continue scoring line items to determine funding priorities in the Corps' FY15 CRFM program.**

- 4. Upcoming dates for FFDRWG & SRWG meetings.**

- 5. Schedule conflict with the next SCT meeting on September 18 and the ERDC trip September 15 to 19, for modeling Little Goose low flow operations. Recommended action is to cancel the September 18 meeting and meet next on October 16, 2014.**
