

SYSTEM CONFIGURATION TEAM
February 19, 2015
9 am to Noon
Mt. St. Helens Room, 10th Floor*
(*check-in at the receptionist on the 11th floor)
NMFS Office, Portland
Conference Call-in line (503) 326-7669

Agenda:

- 1. Please provide edits/comments on the January 15, 2015, draft notes by March 2, 2015.**

- 2. Changes to the CRFM FY15 spreadsheet & FY16 Budget:**
 - **Recent changes in funding estimates and schedules.**
 - **Continue the discussion/planning for the new added FY15 items, including: #40 (downsized JSAT Tag) & #41 (pilot study) which were to be combined on the SS, and #42 (PIT monitoring at sluiceways) and #43 (steelhead synthesis report).**
 - **First look at the preliminary FY16 CRFM spreadsheet.**

- 3. Recent progress with planning for the LGR adult ladder temperature interim measures (line 18) and a brief summary of the conference call with USFWS regarding bull trout entrainment and the Corps' response.**

- 4. Update on the JLAT tag development.**

- 5. Updates on FFDRWG and SRWG meetings and schedules.**

- 6. Next SCT meeting is scheduled on Thursday, March 19, in the Mt. St. Helens room, and the Walla Walla FFDRWG is scheduled on February 26, 2015, in Walla Walla.**
