

Draft FPP Change Form

9/14/07

Change Request Number:08APP G 004

Date: 2/7/2008

Proposed by: CRITFC

Location of Change

Numbers of fish in the recovery tank.

Proposed Change:

This should be the case for Chinook or steelhead but we should be able about to hold up to 4 sockeye or jacks in that tank. This is most important to monitor fish after PIT tagging.

Reason for Change:
