

FPP Change Form

Change Request Number: 10LGS0002

Date: November 4, 2009

Proposed by:

John Bailey – NWW – Operations.

Original 2009 version

1.1.2 Juvenile Migration Timing. *Timing dates affected by later collection start dates in 2006- 2008. Table LGS-1 shows passage timing at Little Goose Dam. Table LGS-1 dates are based on juvenile fish collection numbers only. Salmon, steelhead, bull trout, lamprey, and other species are counted. Maintenance of fish passage facilities that may impact juvenile passage or facility operation should be conducted during the winter maintenance season.*

Table LGS-1. Juvenile migration timing at Little Goose Dam based on collections.

% Collection	2004	2005	2006	2007	2008
